Summary

Enthusiastic and diligent programmer with a strong foundation in programming and software development. Seeking a challenging position to apply my skills in coding, database management, and system analysis in a dynamic work environment. Known for being a quick learner, reliable team player, and a passionate problem-solver.

Technical Skills

- **Programming Languages:** Java, Python, JavaScript, HTML, CSS, C#, Swift, Android
- **Web Development:** PHP, Bootstrap, DOM manipulation
- **Databases:** Microsoft SQL, Oracle
- **Tools & Frameworks:** .NET Framework, Visual Studio, Git, ADO.NET, Docker
- **Operating Systems:** Linux, Windows
- **Other Skills:** MS Excel, Data Entry, Inventory Management

Soft Skills

- **Teamwork:** Excellent team player with experience collaborating across diverse backgrounds.
- **Leadership:** Proven ability to lead teams in high-pressure environments.
- **Time Management:** Skilled in prioritizing tasks and meeting deadlines efficiently.
- **Adaptability:** Quick to learn new technologies and adapt to changing work environments.

Education

Lasalle College, Montreal

PG Diploma in IT, Programmer Analyst (May 2023 - Mar 2025)

Osmania University, Hyderabad, India

Bachelor of Commerce (Computers) (June 2016 - July 2020)

Experience

SeedWorks International Pvt. Ltd., India

Supervisor (May 2020 – April 2023)

- Managed warehouse operations, including packing, dispatch, and inventory control. Utilized MS Excel for data tracking and supervised a team to ensure timely deliveries and smooth logistics.

Walmart Canada

Overnight Assistant Manager (June 2023 - Present)

- Led inventory management operations during night shifts, collaborating with team members to ensure accurate stock levels and efficient operations.

Projects

Personality Test – Web Development

- Developed a true color assessment tool using HTML, CSS, JavaScript, and enhanced user interaction with DOM manipulation and Bootstrap.

Online Jewellery Shopping – Website Development

- Created an e-commerce platform with PHP and Microsoft SQL Server, integrating frontend technologies to showcase products effectively.

Language Proficiency

- English: Proficient
- French: Beginner
